Dear Parents and Carers,

Welcome back!

This term Acorn Class will be thinking about the concept of courage. Our focus will be on art and design explored through the theme of dragons. Please see the knowledge organiser for more detail on what your child will be learning. There will be lots of opportunities for practical learning, visits and experiences.

Here are some reminders about what is happening this term and what the children need.

PE

PE will be on a Monday afternoon. This term the children will be focusing on indoor athletics and dance . Please could your child come ready dressed for PE on a Monday. We have found that less clothing is misplaced if children are not changing at school.

Forest School

There will be a Forest school session this term on October 17th. The children should come into school in their forest school old clothes, plus wellies and waterproofs (although waterproofs and wellies are best kept at school where possible.)

Tapestry

Please remember to check tapestry at least every week. There will be news of your children's learning and also information about what is happening in class. We also

love to see what the children have been doing at home, so please keep posting photos to share.

Reading and Phonics

We are continuing with our phonics scheme this term - 'Little Wandle Letters and Sounds'. Keep an eye on tapestry for more information about it and for resources such as sound cards that you can purchase and use at home to support learning.

Trips

There will hopefully be a trip to Cromer Library this term, to listen to some dragon stories and have a browse of the books. There will also be a walk around the village to spot signs of the seasons changing.

Homework

During the term, your child will bring home some phonics work that reflects the work they have done in school that week. It is very beneficial for your child to reinforce and share what they have learned in school that week. Therefore it would be great if you could set aside a few minutes to go through these with your child when they come home.

Please ask if you have any questions or worries. I am always available at the end of the school day or you can contact me directly at kmacmillan94r5@nsix.org.uk
Thank you for your continued support and help - it is much appreciated.

Many thanks,

Kate MacMillan
