### A message from the Headteacher

This week it has been a real pleasure to bring Olivia Corfield, our new Chair of Governors, around the different schools. She was impressed with the classes and how the three schools embrace education in different ways, whilst also working hard for each individual child. Other members of the Governing Board will be visiting the schools soon to see some fantastic learning and how the different schools work. Have a lovely weekend.

## This week in pictures from across the school...

**Oak-** Oak have been writing in role English this week learning about the characters from Leo and the Gorgans curse. They have also been learning about the different functions of teeth and exploring their own mouth.

**Squirrels-** This week our book of the week has been 'The Squirrels that Squabbled'. You might hear the names Cyril and Bruce as those were their names! We have been using our senses to explore moss, leaves, acorns and pinecones. We tasted blackberries and used ramps to see which 3D shapes rolled like a pinecone.

### Acorn Outdoor Learning
